

Big Books and Learning Games

Getting Started

OWL Big Books and Ollie and Friends Readers

in both English and Spanish are available in eText format. These digital books feature audio recordings of modeled reading and text to audio highlighting. Children can use these books in Centers, or you can display them for the whole group on your digital whiteboard. Each Big Book ends with a curriculum-based math or literacy game--a fun and engaging way for children to practice their emerging skills in English or in Spanish.

Directions

- To play the audio with word-by-word highlighting, click on the hippo and then the play button.
- To play the Learning Game, click the hippo to turn the audio off. Then click on the Red Bird icon at the end of the eText to launch the game.
